

Bell and Bullock – Static Pirate Show - Cabin Fever

Promotional Copy:

Join Captain Bullock and Bosun Bell for maritime mayhem, magic and mirth. With an uproarious air of unpredictability witness the Indian Club Work-Out and Navigating the Celestial Spheres. The finale features the Flight of the Dare-Devil Dove. Our feathery friend relishes challenges of an extreme nature (nobody really knows why, and she won't tell us). Marvel at our maritime maties with their nautical extravaganza of eccentric experiments, sensational circus skills, and hilarious feats of derring-do.

Set Building and Preparation: We will arrive at least 1 hour before our first performance.

Personel: Two Performers, both on foot.

Technical Specifications:

- ◆ The set is a ship on wheels which is easy to manoeuvre on flat ground.
Dimensions: **1.25m long, 0.62m wide and 2.5m high** (1.3m high for storage).
- ◆ The set contains the props and sound system for the show and is self contained for power. For a rolling programme we can set up and be ready to start a show or clear the area after a show in 5 mins.

Our Requirements:

- ◆ A minimum performance area of 6 x 4 meters in a quiet, focused area, away from noisy generators or sound systems
- ◆ A safe place to store the set between shows.
- ◆ For multiple day bookings having a place to store the set overnight is greatly appreciated, where possible, as it saves us from having to de-rig and build the set again the next day.
- ◆ Secure changing facilities (we can use our van if needed) with access to backstage toilets.
- ◆ Parking for our van (preferably close to the performance area). It is a Blue Peugeot Boxer Registration: **FH66 VJC**. Dimensions: **6.4m long, 2.5m wide and 2.5m high**.
