

## **Bell and Bullock - Walkabout/Driveabout Act - Joy Riding Reindeer**

### **Promotional Copy:**

Meet Basher and Crasher, the cud chewin', fun lovin', hoovy groovy reindeer. Whilst Santa wasn't looking (probably scoffing mince pies and supping that whiskey again) the rebel reindeer half inched his new self-propelled sleigh and are now cruising the streets blasting out the Christmas tunes. They'll astound you with reindeer magic, that's normal magic with added antlers, then stick around and try their amazing Lapland Experience: go ice fishing, smell reindeer poo and see the Aurora Borealis!

**Show Day contact number:** 07910 693890

**Set Building and Preparation:** We will arrive at least 1.5 hours before our first performance.

**Personel:** **Two Performers**, both will ride in the Sleigh.

### **Technical Specifications:**

- ◆ The Sleigh is based on a mobility scooter and has a top speed of 4mph. It can be driven on flat surfaces, paved or grass, but not steps, big cobbles or very steep inclines.
- ◆ The Machine is **2m long, 1.14m wide and 1.8m high**. and will fit through a regular double doorway.
- ◆ The machine contains the sound system for the act and is self contained for power.

### **Our Requirements:**

- ◆ A safe place to store the machine between show spots. This can be outdoors as we have waterproof tarpaulin covers.
- ◆ For multiple day bookings having a place to store the machine overnight is greatly appreciated, where possible, as it saves us from having to de-rig and build the set again the next day.
- ◆ Secure changing facilities (we can use our van if needed) with access to backstage toilets.
- ◆ Parking for our van (preferably close to the performance area). It is a Blue Peugeot Boxer Registration: **FH66 VJC**. Dimensions: **6.4m long, 2.5m wide and 2.5m high**.
